5.1.2 The accuracy of Quotes depends on the correctness and completeness of information provided by the User and the latest data and rules supplied by Insurers.

5.2 **Nature of Quotes.**
5.2.1 Quotes are indicative and do not constitute a binding offer or acceptance of insurance. Quotes may be revised or withdrawn by the Insurer at any time prior to policy issuance.

(a) approves your proposal;
(b) generates and records a policy number; and
(c) issues a policy document or certificate, whether physical or electronic.

6.5 **Late Payments and Reinstatements.**
6.5.1 Some policies may permit a grace period or reinstatement of lapsed policies subject to conditions and additional payments (such as interest, penalties, or reinstatement charges). Such options are determined solely by the Insurer.

7.3 **Auto-Reminders and Notifications.**
7.3.1 Fintech Insurance may send automated reminders for upcoming renewals via email, SMS, push notifications, or other communication channels configured on the Platform.
7.3.2 Such reminders are provided on a best-effort basis, and Fintech Insurance does not guarantee delivery, timeliness, or accuracy of notifications.
